# 2nd Oncology Massage Healing Summit

## April 30 - May 2, 2010

### Reasons to Attend:

- Learn practical information and “take-home” techniques to help people return to their best lives;
- Network with colleagues who share your professional passion; and
- Join other health practitioners, patients and caregivers in a presentation of *Jonna's Body, please hold.*

### Topics tentatively scheduled:

- Eastern Bodywork Techniques to Support Digestion - Sandy Canzone, DOM;
- Strengthening Immunity with Bodywork: A Blend of East and West - Isabel Adkins, BA, CMT;
- Massage for Children with Cancer - Tina Allen, CMT, CPMPT, CPMT, CIMT;
- Safely Massaging the Client at Risk for Lymphedema - Rene Janeice, LMT, NCTMB, CLT;
- Working with Spa Guests Affected by Cancer;
- And much more!

### Post-Conference Sessions

#### (Sunday, May 2, 2010):

- Mastectomy Massage - Cheryl Chapman, RN, HNC, NCTMB; and
- Scar Massage - Jamie Elswick, LMT, NCTMB.
